# Wieso?

- Als Benutzer möchte ich mein Problem/Lösung zeigen können.
- Ich möchte in der Lage sein, mein Problem aufzuzeichnen.
- Ich will nicht auf eine Screen-Sharing-Sitzung warten.
- Ich möchte zeigen, wie man mein Produkt benutzt.

Hi John,

We are currently analysing this issue.

Could you tell with what browser this is happening ? Is this happening with any browser ?

How many fields are there on the screen?

Could you provide us screenshots of the configuration?

Best Regards,

Chris

Description

Hi,

We are currently analysing this issue.

Could you tell us which issue type you are trying to create?

In which project are you creating the field?

What field are you trying to fill?

Best Regards,

John
