

St. Anna Kinderkrebsforschung.

1985. St. Anna Kinderspital. Dachboden.

KINDERKREBSFORSCHUNG

Gemeinsam stark gegen Krebs.

Spendenfinanziert. 85% Chance. 15 Gruppen.

Innovation & Flexibilität

Hohe Fluktuation. Windows & Apple. Viel Software.

IT@CCRI

Modern. Kosteneffizient. Enabler.

A scientist with long brown hair, wearing a white lab coat and orange gloves, is working in a laboratory. They are using a pipette to transfer liquid into small vials arranged in a rack. The lab bench is cluttered with various equipment, including a yellow waste bin, a bottle of liquid, and several racks of vials. A yellow semi-transparent overlay covers the top half of the image, containing the text 'Atlassian' and 'Tickets. Assets. Knowledge Base.'

Atlassian

Tickets. Assets. Knowledge Base.

Service Desk

Zentral. Transparent. Übersichtlich.

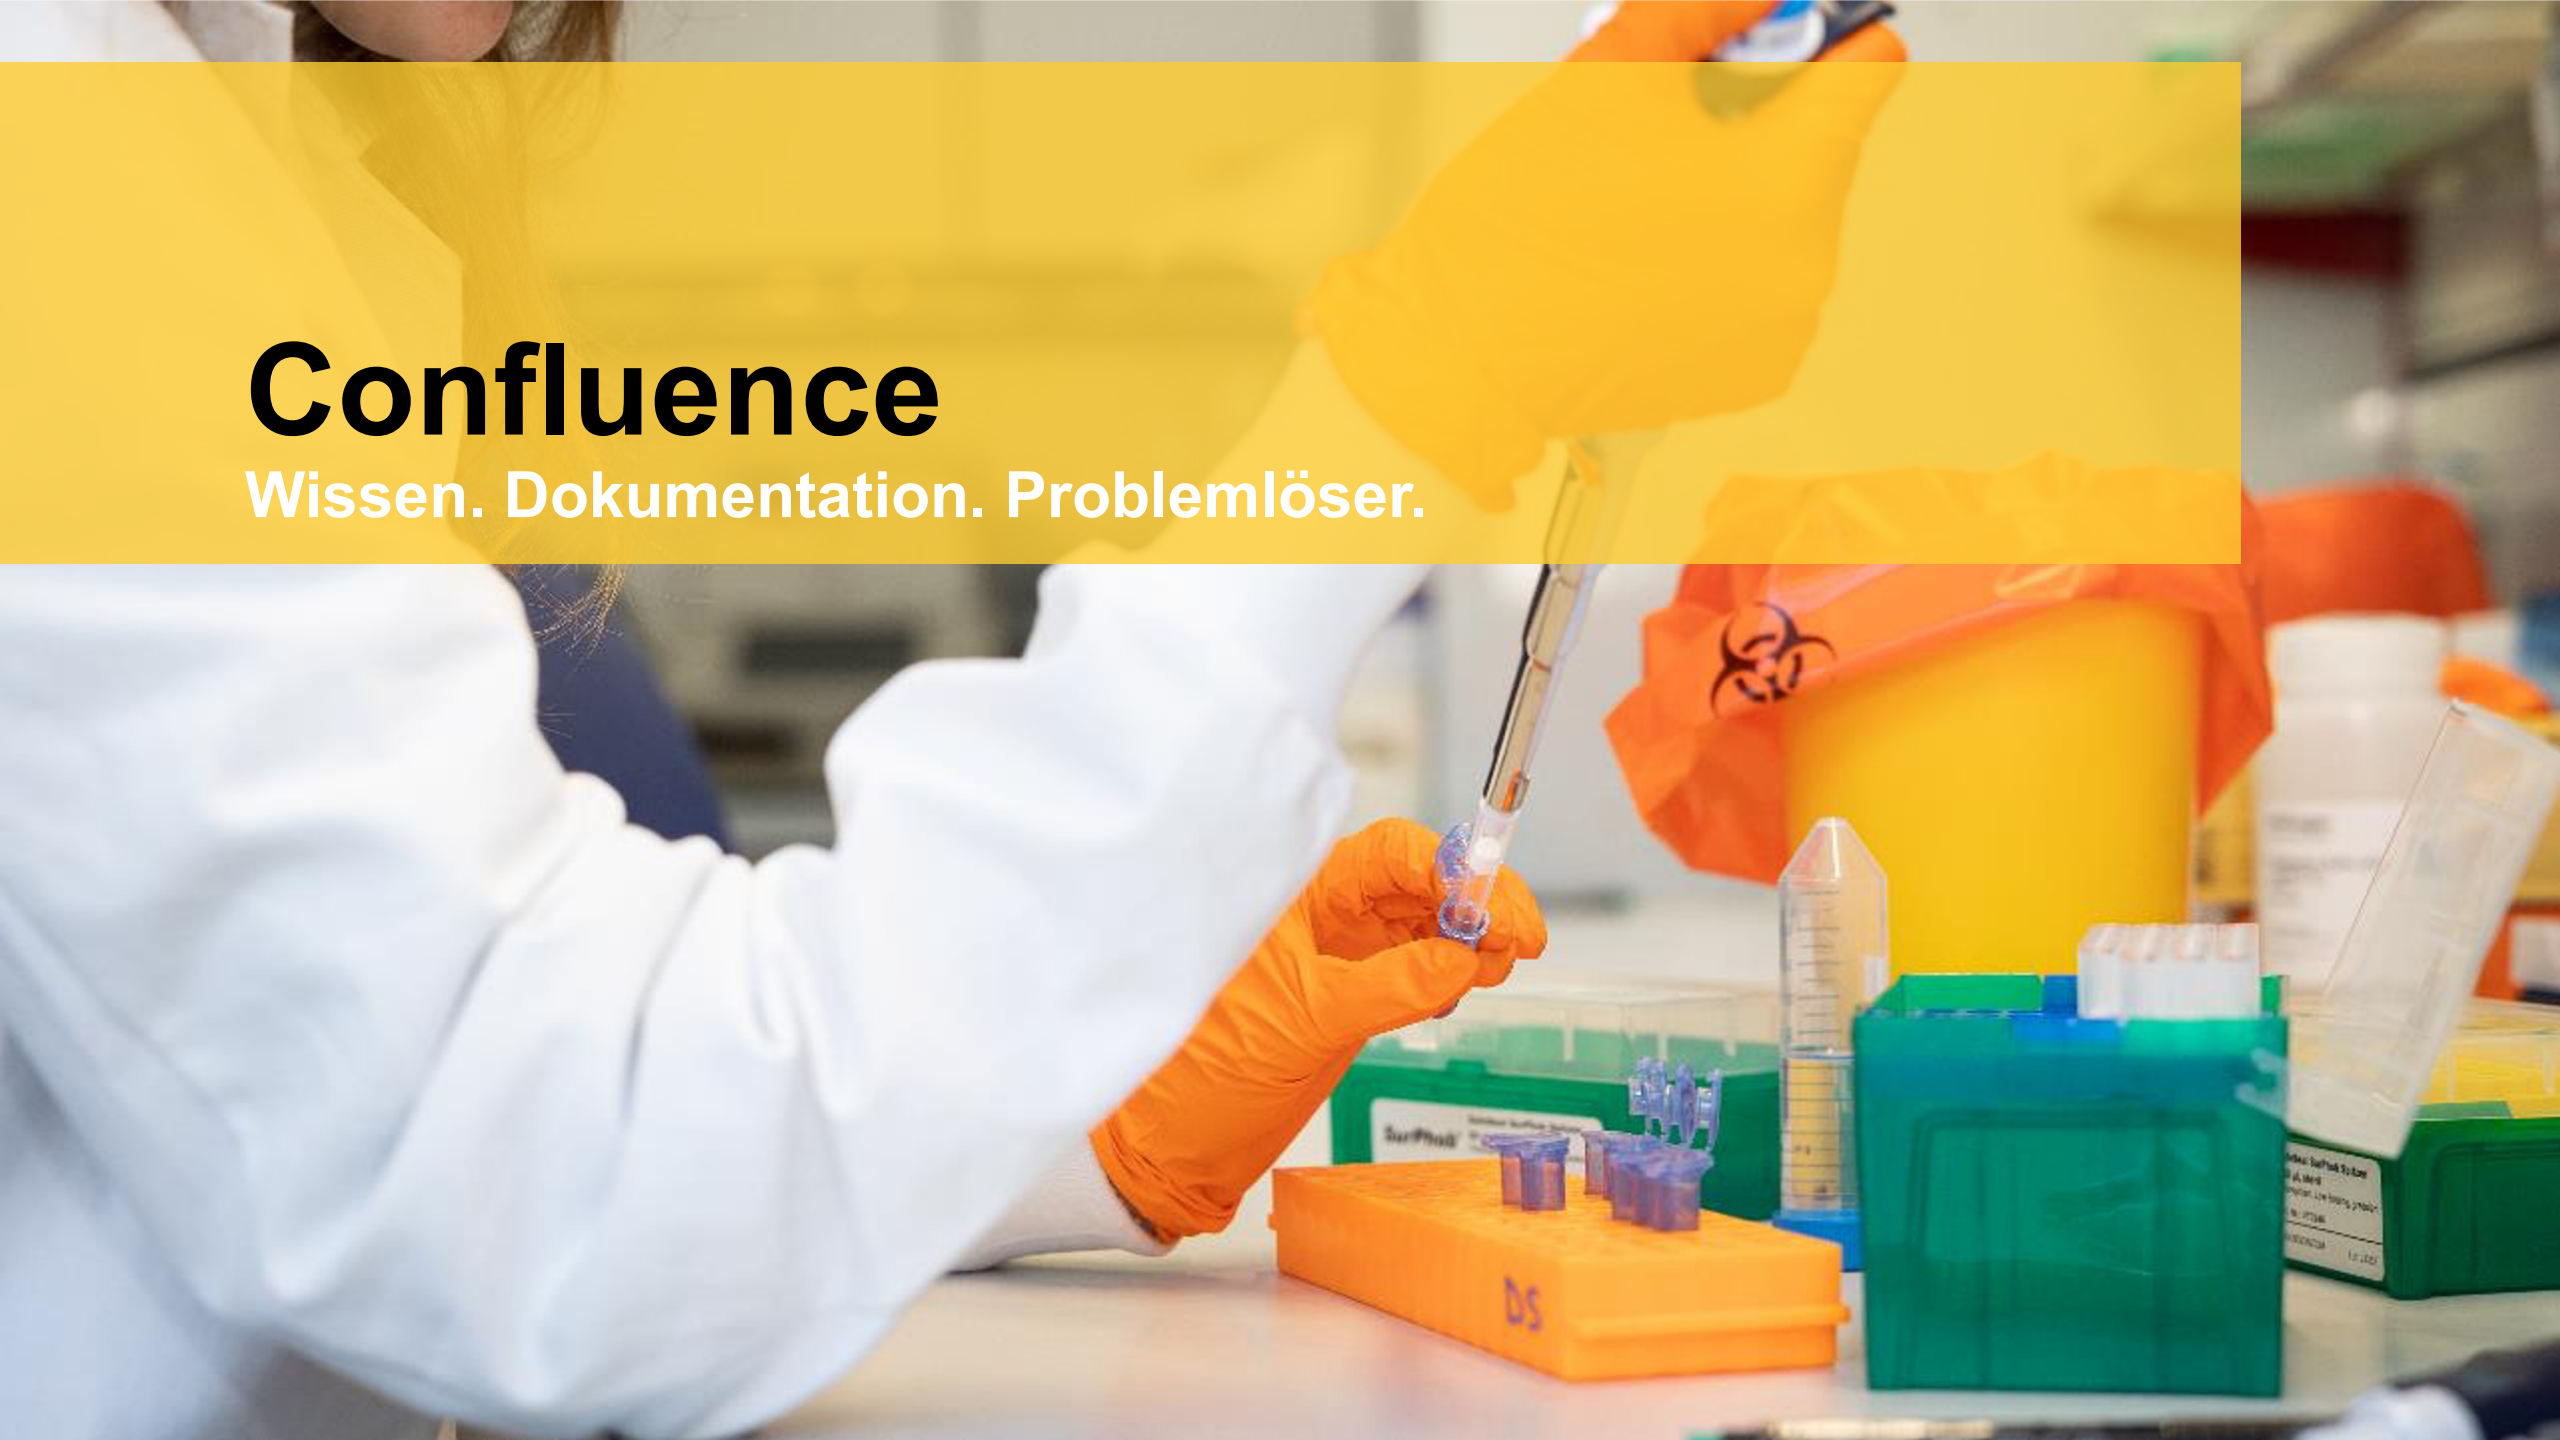

Assets

Übergreifend. Plattformunabhängig. Verknüpft.

Confluence

Wissen. Dokumentation. Problemlöser.

Projekt

Kosten. Zeit. Remote.

Umsetzung

Effizient. Know-How. Feedback.

Next steps

Migration CMDDB. Weitere Abteilungen.

Fragen.

Anmerkungen. Kommentare. Spenden.
